

PERMITS TO BUILD HOUSES ARE GRANTED

PROGRAM IN CITY 1928 SEASON OPENS WITH RUSH.

PERMIT IS REFUSED

City Receives Letter From Man Asking Damages For Injuring Robin Residence.

The building program in the city opened with a decided rush today evening when 18 permits were granted by the city.

C. Christie was given permits to erect six new homes, three on North College street, two on North Locust street, and one on Berry street. Masten will build nine new homes in the Hanna Heights and one house on the corner of Locust and Walnut street. He will erect a dwelling at Locust street. N. M. Skinner asked permission to build a house at Locust and Miss Alice will construct a 4-room house on North Locust street.

Permit of William Randal to garage on Columbia street, was refused by the council.

Permit from Miss Mary Denny, to build a house on Locust street, was read to the city by Gwyn Ensign, city clerk. The moving of the old house from Locust street to Locust and Walnut street, Miss Denny's property. An appraisal of the house, but Miss Denny in her mind, that she was damaged to the extent of \$500. However, for the quick settlement, her letter, she would be willing to accept \$200 to cover the damage.

CITY SIGNS PLACED NEAR HIGH SCHOOL

AND KIWANIS CLUBS DIRECTING SLOW SIGNS.

Safety signs were placed in front of the local high school Wednesday afternoon at 1 o'clock under the joint supervision of the city and Kiwanis clubs. These signs are to direct motorists to a school zone and to drive slowly.

The signs were placed at the intersection of College Avenue and Walnut street. The second was placed at the intersection of Spring Avenue and Walnut street. The third at the Locust and Walnut intersection.

Songs, "America" and "The Get Together," were sung. After then gave a brief talk to the members of both clubs to serve the safety signs and to do likewise.

Twenty Injured In Train Crash

LOCOMOTIVE AND FIVE CARS LEFT THE TRACK.

YORK, Mar. 28. (UP)—Twenty persons were injured when a passenger train was wrecked in Sunnyside, Queens.

The electric locomotive and five passenger cars derailed and fell off the rails. Six hundred persons were on the train were thrown from their seats and shaken. The injured were given first aid at the scene of the wreck and many were taken to St. John's hospital, Long Island city.

Weather Stops Latest Flight

BLIN, Mar. 28. (UP)—Adverse weather off the coast of Ireland today delayed the airplane "Bremen" in its hazardous flight to the United States.

The first clearing skies will allow a take-off, officials at the Baltimore airport said. They pointed out the gray Junkers plane was hanging, ready for the test. The three happy-go-lucky airmen, Hermann, captain Hermann, and Arthur Spindler, announced last night they would leave today.

BAMBERGER IS NEW HEAD OF ROTARY CLUB

OTHER OFFICERS ELECTED BY ORGANIZATION AT WEEKLY LUNCHEON WEDNESDAY

Joe Bamberger was elected president of the Greencastle Rotary Club at its annual election of officers held at the weekly luncheon Wednesday afternoon. Other officers elected were the following:

Vice-president, H. H. Ellis, Secretary, Victor L. Raphael; Treasurer, Charles Rector; Sergeant at Arms, Andrew B. Hanna; directors, S. R. Ruriden and William Peck.

H. C. Reed of the Hoosier State Motor Association, was a guest and speaker. Mr. Reed spoke on the natural advantages of Indiana over surrounding states and said it was only a question of good salesmanship to sell Indiana to the world.

Carefully gathered statistics show that there will be 30,000,000 tourists in the United States in 1928, and that 3,000,000 of them will visit Indiana. The tourists will travel in eight and one half million automobiles and there will be one million cars come to or through Indiana this year. Mr. Reed quoted authorities to show that the traveling public's business is the nation's greatest business at this time, and he said it was a cash business. Eight per cent of the nation's automobiles cross or enter Indiana during the year and there are 20,000,000 autos in the United States. This business is well worth while, and Indiana business men are getting some pointers on its importance and are going after it. Indiana Mr. Reed says has more lakes, more state parks, better parks, as good highways and more historic spots than either Michigan or Wisconsin and yet these states have been sold ahead of Indiana, because the people in those states are better salesmen.

Mr. Reed showed how the great oil companies are now boosting Indiana and are co-operating with the Hoosier State Auto Association in advertising Indiana, and the state is bound to show strides in national advertising advantages during the coming few years.

CHAUTAUQUA DIRECTORS HELD MEET

FINAL PLANS WERE NOT COMPLETED AT MEETING AS WAS EXPECTED.

The directors of the proposed Chautauqua, met in the Court House Tuesday evening but the final plans were not made as planned.

George Bicknell, a representative of the Loar Independent Chautauqua Company met with the directors and submitted the dates for the showings and the talent. The dates as set were not acceptable to the directors and changes will be made in the talent as listed.

The final plans will be completed as soon as possible.

REPAIR POWER PLANT

BLOOMINGTON, Mar. 29 (UP)—Indiana University's power plant is to be remodeled at a cost of \$150,000. The board of trustees have decided on recommendation of Charles R. Ammerman, consulting engineer. He declared the present plant was insufficient to supply present buildings and the new field house.

Marie Goff, art painter of Indianapolis, has been engaged to paint the portrait of Edward Rector, which will be placed in Longden Hall above the fireplace. This picture will be unveiled at the Rector Scholarship banquet to be held during Commencement time.

WILL RECEIVE BIDS FOR FIRE TRUCK, APRIL 24

SPECIFICATIONS FOR NEW APPARATUS DISCUSSED TUESDAY NIGHT.

TO BUY 600-GALLON TRUCK

Bond Issue Of Slightly More Than \$10,000 Is Already Sold. New Truck Needed.

Bids for the purchasing of a new fire truck for Greencastle will be received by the city council on April 24, it was voted at the regular session of the city officials on Tuesday evening. The bond issue to cover the expense of the new apparatus and incidentals has been sold and the city has the money with which to buy the new machine.

The specifications for the new truck were discussed by the council and it was decided that a 600-gallon triple combination pumper truck would be necessary. The machine must be six cylinders and have four wheel brakes and pneumatic tires. It must also have an 80-gallon booster pump with dial control. A thousand feet of new gum treated hose; one twenty-eight foot extension ladder; two roof ladders; hand extinguishers, and a siren were also included in the specifications.

On the vote, Councilmen Harris, Brown, Hamaker and Sackett voted favorable. Councilman W. D. James did not vote, and Councilman Allee was absent.

During the council meeting the following claims were allowed: Orville O'Neal, \$113.20; John H. James, \$67.90; Riley & Werneke, \$12.50; Paul Grimes, \$25; Sanford Craver, \$14; W. Dunbar, \$4.83; W. Dunbar, \$51; King, Morrison & Foster, \$101.58; H. I. Holcomb Mfg. Co., \$16.20; John Cook & Sons Co., \$29.08; Greencastle Telephone Co., \$24.25; Lawrence Carter, \$250; Edgar Blessing, \$260.

The question of roller skating in the city was also brought up. Marshal Dave Braden told the council members that as long as he did not have any serious complaints, skating would be permitted in the residential sections, but not in the business district.

Kiwanians May Give Minstrel

REPRESENTATIVE OF JOHN B. ROGERS COMPANY PRESENT AT LUNCHEON.

A minstrel show may be presented in this city, sponsored by the Kiwanis Club, if an agreement can be made with the John B. Rogers Producing Company of Fostoria, Ohio, and a committee appointed by Rev. C. Howard Taylor, president of the local organization.

At the luncheon of the club Wednesday noon, a representative of the Rogers company was present and set forth his firm's policies. He stated that it would require only two weeks of actual work to rehearse and present the minstrel and he gave several dates for April and May that were open during which time a director could be sent here to drill the cast.

The committee appointed Wednesday noon met with the Rogers Company representative later in the day to discuss the matter.

The three killed were: William E. or William D. King. Sterling Rohlf, the pilot. Wallace Stringer.

The three were flying in a Fairchild plane from Nogales to Mexico City. Over Toluca the plane went into sudden dive and crashed in the center of the city.

FLOOD WATERS EBBED TODAY

SEVERAL PARTS OF CALIFORNIA STILL IN DANGER WEDNESDAY.

SAN FRANCISCO, Cal., Mar. 28. (UP)—Flood waters ebb today through Northern California, but Knights landing and parts of Sacramento were still in danger.

The Sacramento river, though the flood crest had passed, was still far above normal and levees at Knights Landing and Sacramento showed signs of weakening. If they give way scores of lives would be endangered.

COUNTY CLUB MEETING ENDED HERE TUESDAY

KATE MILNER RAAB WAS THE PRINCIPAL SPEAKER AT LAST SESSION.

MANY IN ATTENDANCE

Many Clubs In The County Were Represented At Meeting. Winning Essays Were Read.

The County Federation of Clubs Tuesday afternoon session opened at 1:30 o'clock, with a delightful musical program, given by a chorus composed of the following Greencastle ladies, Mrs. Howard Barnum, at the piano, Mrs. J. C. Brothers, Mrs. Ben Riley, Mrs. R. T. Stephenson, Mrs. A. G. Brown, Mrs. Warren J. Yount, Mrs. Joe Crosby, Mrs. B. H. Bruner, Mrs. O. H. Smith, Mrs. L. E. Mitchell and Miss Judith Sollenberger. The numbers given were "The Thistle," by W. Berwald and "Patter, Patter, In and Out," by Cole.

"Colonial Highways and Byways" was the subject which Mrs. Kate Milner Raab used Tuesday afternoon. About one hundred and seventy-five women attended the afternoon session.

Mrs. Raab's address was one of interest and very instructive, made more so in that Mrs. Raab gave her own impressions of scenes and historical spots in Virginia, received while on a trip. Mrs. Raab's discussion gave in detail the descriptions of some fine old Colonial dwellings and homes used by early residents in these states. Mrs. Raab discussed the roads as they are now to a great extent, outlining the different changes which they had gone through, beginning back when they were mere buffalo trails, then the Indian trail and then lastly the white man's road, at first winding mud roads, until the present day when they, as a rule, are the splendid highways that they are.

Mrs. Raab made her audience see the scenes as so vividly described them. "Monticello", the old home place of Thomas Jefferson, was beautifully described in its old Colonial furnishings and architecture. This place was thirty years in the building. Mrs. Raab dwelt on the fact that the buildings in the south are preserved to a large extent, and sums of money are being spent for that purpose, when in the north, buildings are constantly being torn down and replaced by newer types. The churches in Jamestown, Va., were impressively described. A memorial has also been erected in that town, Mrs. Raab said, to the man who held the first religious services there. The statues of Pocahontas and John Rolfe were spoken of. Mrs. Raab stated that practically every week some one person is spending huge sums of money in the rebuilding of some old land-spots, such as the whole main street in Williamsburg, Va., and the Carter's Grove homestead, Va., built in 1772. The home of Washington at Mt. Vernon and Braddock's Tomb were the last things Mrs. Raab mentioned in her discussion.

Three reasons Mrs. Raab narrated why that people should see these old historical spots in the United States are as follows: First, The importance of Visual Education; second, The Patriotism it inspires; and third, The Lesson of Organization.

Following the talk, Mrs. C. W. Otis sang three solos, songs composed by Mrs. Ethel Arnold Tilden: "The First Daffodil" and "In Bluebell Time," and the last, "A Prayer for a Child on Mother's Day."

Mrs. H. R. Nicholas spoke before the club on International Relations. Mrs. Nicholas stressed the importance of the essay contest, "Children of Other Lands," which has been conducted in Greencastle Schools under the auspices of the Twentieth Century Club, and under the leadership of Mrs. Nicholas. Mrs. Nicholas explained that the project should be made a county-wide contest next year. The program concluded after Jean Stewart and Genevieve O'Hair, winners of the essay contest, "Children of Other Lands," had read their prize winning themes.

The delegation of women were representatives from the following Greencastle clubs: Fortnightly, S. C. Club, Modern Priscilla, Crescent, Business and Professional Women, Woman's Study Club, Century, Kappa Alpha Theta, Ove-the-Tea-Cups, Twentieth Century, Woman's, Domestic Science, New Era, and the Progress History; and from the county, Fillmore Mother's Club, Beechwood Circle, Pinecastle Country Club, Roachdale Social Club, Bainbridge Home Economics Club, Roachdale Home

Economics Club, Philomath Club, Country Reading, Clinton and Madison township and the Newmayville Community Club.

Following are the resolutions: We, the resolution committee recommend that thanks be extended the clubs of the Greencastle unit, entertaining the Putnam County Federation of clubs today, and that thanks be extended the trustees of the Methodist Church for the use of this comfortable building.

Be it resolved that the Putnam County Federation of clubs endorse the candidacy of Mrs. Edward Franklin White for president of the General Federation and that we each do all in our power to promote her campaign. Be it also resolved that we enjoyed the presence of Miss Louise Klinger, chairman of the Clay County Federation, and recommend that Putnam County join with Clay and other counties in the project of beautifying the old National Road prior to the Sesqui-Centennial which is to be held in Vincennes in 1929.

Resolved that the reports of the different department chairmen were very beneficial in giving an insight to the possibilities of our Putnam County Clubs.

Resolved that Mrs. Kate Milner Raab carried us back to the old colonial days in her most charming manner and impressed us that the preservation and restoration of historic spots in Virginia should be emulated in our own state.

CHICAGO IS ALARMED BY BOMB CASES

BOMB BLASTS AND BULLETS LOOM UNTIL AFTER PRIMARY ELECTION.

BEER JOINT IS WRECKED

Sixty-Second Bombing In Five Months Occurs In Windy City Tuesday Night. Probe Ordered.

CHICAGO, Mar. 28. (UP)—Threats of new bombings, charges and counter charges of violence by rival political factions and a multitude of investigators into the bombings of the homes of U. S. Senator Charles S. Deneen and Judge John J. Swanson served only to increase today the turmoil and confusion of Chicago's political war.

Thoroughly alarmed, the city prepared for new outbreaks of violence from now until the primary April 10. It seemed certain that the remaining two weeks of the campaign would be a political war with bombs and bullets.

Another bombing occurred shortly before midnight. A beer pump concern owned by Emil Seiler, was wrecked by a black powder bomb.

Although the police were inclined to link the bombing with the beer and alky war, rumors spread that Seiler was bombed because he recently refused to permit political posters to be placed in the windows of his store. The rumors could not be confirmed.

Nevertheless, the bombing, the 62nd in five months, caused considerable alarm on the south side of the city and forecasted continued violence.

Histerian Will Talk Thursday

PROF. A. C. McLAUGHLIN OF CHICAGO WILL SPEAK THURSDAY EVENING.

Professor A. C. McLaughlin of the University of Chicago will speak before the History and Political Science Clubs of DePauw university, Thursday evening at 8:15, on the general subject of constitutional history. At present, Professor McLaughlin is chairman of the division of church history at the University of Chicago, where he has been teaching since 1906. His classes are composed entirely of graduate students and are very large, numbering as high as sixty.

An affidavit, charging child neglect was filed in the Putnam Circuit Court Wednesday morning, against Mrs. Ruby Rogers. She was brought before Judge James P. Hughes Wednesday morning, and her four children, three boys and one girl, were placed in the custody of the Allison Home.

HUBERT DIRKS WON HONOR IN CONTEST HERE

ANNUAL COUNTY ORATORICAL CONTEST WAS HELD IN COURT HOUSE.

SMALL CROWD PRESENT

All Speakers Received Good Applause For Work. One Of The Best Ever Held Here.

Hubert Dirks, son of Prof. and Mrs. L. H. Dirks, and a sophomore in the Greencastle high school, was awarded first place in the annual county oratorical contest which was held in the Court room in the Court House, Tuesday evening.

Miss Janetta Moore of Bainbridge was given second place and Miss Esther Dunlavy, of the Fillmore high school was awarded third place.

Dirks and Miss Dunlavy took as their subject, "Present Significance of the Constitution" and Miss Moore talked on "Development of the Constitution." Just a fair crowd attended the annual contest.

The talks of all the speakers were among the best ever given in a contest held in this city of high school students. The winners of the first three places were all close. Each speaker present, representing the various county schools were the winners of the local oratorical contests which were held at the schools the first part of the month, thus giving the students the right to represent their school in the county contest.

By virtue of the decision Dirks will represent the county at the district meet. C. C. Gillen, was the county chairman in charge of the contest.

The contest was on the constitution and subject matter could be taken from two standpoints, "Present Significance of the Constitution," and "Development of the Constitution."

COMPANIONATE MARRIAGE

FT. WAYNE, Mar. 28. (UP)—"Companionate marriage is a form of immorality which amounts to degeneracy," The Rev. William A. Bolger, of the University of Notre Dame, South Bend, declared in addressing an audience at the community forum here.

BIG MEETING WAS HELD AT BAINBRIDGE

LAST COMMUNITY MEETING OF THE YEAR HELD IN GYMNASIUM.

On Tuesday evening Bainbridge had their last and best community meeting of the year. There was a good attendance and an excellent program. After some songs by the primary rooms, "Bear Seat Auto Ride" reading by Fleta Brattain, and the audience heard a few numbers by the B. H. S. quartet, John Linberger, Supt. of the Rockville schools, and candidate for State Supt. of Public Instruction made an address.

Linberger stressed the teacher, parent, and community responsibility for the conduct and life of students. Some pupils are entirely products of environment he believed and others are enigmas. He gave instances of students who had more ambition than parents or teachers knew, and showed how a correct evolution of human possibilities is often possible.

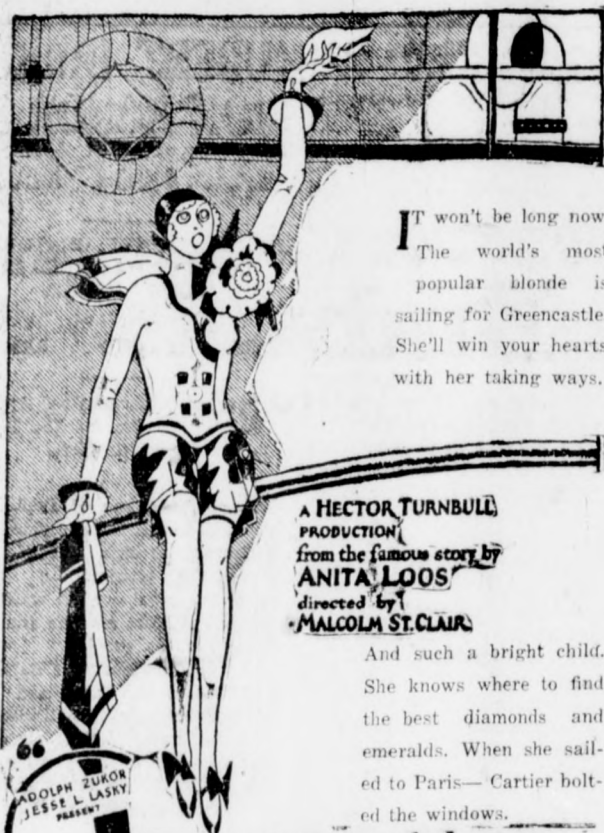

He was followed by his wife at the piano and Mrs. Muriel Clark of Indianapolis, singing a group of original compositions by Mrs. Linberger. The music was beautiful both in composition and rendition. Mrs. Clark unquestionably had the most beautiful voices heard at Bainbridge, in the past few years.

At the close of the meeting Mr. Noris announced the purchase of 1-1/4 acres of additional play ground. The money for the purchase is that saved from the athletic gate receipts. It is unfortunate the owner did not have a little more ground for sale, but the addition is needed to raise the school standing, and the pupils will make full use of the gift. Tennis supplies have also been purchased this week, so with track, the boys and girls are provided for.

Those who have not procured tickets for the Chamber of Commerce dinner Thursday evening at the Methodist Church are asked to get their tickets from Miss Helen Black on Thursday morning. The dinner will be held at 6:30 o'clock and will be a very important session.

His Diets Are Forgotten Since Taking Konjola

"I Suffered Untold Agony After Eating," He States.

MR. H. C. GENTRY

"When I started with Konjola my stomach was in a terrible condition and I had been living on a special diet for several months," said Mr. H. C. Gentry, 714 East New York St., Indianapolis, Ind., "but it soon made a new man out of me."

"I suffered untold agony after eating as my food did not digest and a hard rock seemed to form in the pit of my stomach. After doctoring for a long time without results, I began looking around for something to relieve me. Konjola was suggested to me and I started taking this medicine. It gradually began to relieve me, although it worked very slowly. I realized my condition was of long standing and decided to give it a fair trial. Now I have taken several bottles and can eat almost anything I want without suffering afterward. The diets, which I formerly took, are a thing of the past. I'll never forget what Konjola did for me."

Konjola is sold in Greencastle at the Owl Drug store, and by all the best druggists in all towns throughout this section. —(Adv.)

FOLEY'S HONEY AND TAR COMPOUND

for ALL coughs and colds

SOLD EVERYWHERE

—R. P. MULLINS, DRUGGIST.

Stops Coughs Quickly—healing, demulcent.

"I was bothered with a hard persistent cough, but found no other remedy so good and so quickly relieving as Foley's Honey and Tar Compound," says E. Boggs, Pomona, Calif. Coughs and throat irritations, hard bronchial coughs, lingering "flu" coughs, almost instantly stopped. It combines the curative influence of pure pine tar and the mollifying demulcent action of fresh clear honey with other healing ingredients. A boon to those who suffer from troublesome night coughs. Ask for Foley's Honey and Tar Compound.—R. P. MULLINS, Druggist.

First comes CHRYSLER 72 all others trail

Chrysler "72" performance makes all other performance its field seem as out-of-date as last year's license plates. All you have to do is ride in a "72," and drive it to appreciate the difference.

Only Chrysler's great engineering staff and precision manufacturing organization could have developed 75 smooth horse power from an engine of such moderate size.

You can, at will, do 72 miles an hour and more—velvety, easy miles—due to this unique and vibrationless engine with counterweighted seven-bearing crankshaft.

It takes mountain grades at constant acceleration. In traffic, the "72" flashes to the fore with characteristic Chrysler get-away.

Only a demonstration can prove to you just how much better the "72" performs.

Illustrates New Chrysler "72" Prices—Two-passenger Coupe (with rumble seat), \$1545; Royal Sedan, \$1595; Sport Roadster (with rumble seat), \$1595; Four-passenger Coupe, \$1595; Town Sedan, \$1695; Convertible Coupe (with rumble seat), \$1745; Crown Sedan, \$1795. All prices f.o.b. Detroit, subject to current Federal excise tax. Chrysler dealers are in position to extend the convenience of time payments.

Why Every User becomes a Friend
"Never has any other cough medicine acted as quickly and satisfactorily as Foley's Honey and Tar Compound, and it gives complete satisfaction to friends who use it on my recommendation," says J. D. McComb, Toledo, Ohio. It spreads a healing, soothing coating in an irritated inflamed throat, stops coughing, raises phlegm easily. No opiates to cause constipation, no chloroform, no "dope!" You take no changes with cough or cold when you buy Foley's Honey and Tar Compound. Ask for it.—R. P. MULLINS, Druggist.

A Good Thing to Know—Remember It

Mrs. Mary B. (name furnished) San Francisco, Calif., says that "Foley Pills diuretic very quickly stopped a bad pain in my back, and where I used to lie awake at night with rheumatic pains, I now sleep in comfort, and enjoy a good night's rest." No one should suffer backache, rheumatic pains, sleep disturbing kidney and bladder ailments, when Foley Pills diuretic may be so easily had and at so small a cost.—R. P. MULLINS, DRUGGIST.
